

# Living Lake, Changing Catchment:

**2011 Te Waihora/Lake Ellesmere integrated catchment symposium  
November 15<sup>th</sup> and 16<sup>th</sup>, Lincoln University**

## Day 1, Tuesday November 15<sup>th</sup>

8am – Registrations open

9am – Welcome

A series of short presentations will be given on biophysical, cultural, social and economic aspects of the Te Waihora/Lake Ellesmere catchment. The day will include presentations on recent science and research related to the catchment, and a look at lessons from elsewhere.

5pm – Drinks and nibbles - an opportunity to network and look at displays/posters.

## Day 2, Wednesday November 16<sup>th</sup>

9am – Keynote address:

Professor David Hamilton, Waikato University, Environment Bay of Plenty Regional Council Chair in Lakes Management & Restoration.

10.45am –Governance and management of the catchment

1.15pm – Afternoon session including details of new initiatives under the Canterbury Water Management Strategy and a presentation about the Selwyn-Waihora Zone Implementation Programme (there is no fee for this session but registration is required).

5pm – symposium concludes

## Saturday November 19<sup>th</sup>

1pm – 5.30pm – Field Trip

A bus tour to some key sites of interest around the catchment and a chance to chat with others who are interested in the lake and catchment.

## Registration Fees (all GST inclusive)

There are concessionary rates available for current Lincoln University/University of Canterbury students and for WET members. Visit [www.wet.org.nz](http://www.wet.org.nz) for details on becoming a WET member. Morning & afternoon tea and lunch will be provided on both days.
