

Te Ara Kākāriki
Greenway Canterbury Trust

Te Ara Kākāriki vision

- The creation of a greenway, a network of patches and corridors for native wildlife that spans across the Canterbury Plains from the Mountains to the Sea
- To be created by the people who live here for the benefit of current and future generations
- This will be achieved by TAK working collaboratively with individuals, landowners and organisations

Te Ara Kākāriki has a long-term vision

Fern Factor

Glentunnel golf course

Hendersen

Coalgate reserve
