

Halswell River Catchment

Drain Management and Restoration Opportunities

You are invited to join Waihora Ellesmere Trust and the Whakaora Te Waihora team on

Tuesday December 4th

6.30—8.30pm

Bus tour around the Halswell River area

- *Understanding how and why the drainage network is managed*
- *Where do your rates payments go?*
- *How have the earthquakes have affected the waterways?*
- *Managing your drains to improve water quality and biodiversity*
- *Funding and advice for landowners who would like to undertake streamside planting*

Hear from ECan river engineers and from restoration experts. See some great examples of successful restoration projects.

The tour will last around 2 hours and will conclude with coffee and cake.

There's no cost but places are limited—register now!

Meet at Waihora Rugby Club car park, Rhodes Park Domain (entry off Old Tai Tapu Rd)

To register, or for further information, please contact Adrienne Lomax
email: manager@wet.org.nz
phone: 021 052 9720 or ring 03 365 3828 (ECan reception) and ask to be put through.

Waihora Ellesmere Trust (WET) is a community organisation dedicated to the improvement of the health and biodiversity of Te Waihora/Lake Ellesmere and its catchment.

Established in 2003, WET represents a broad range of interests. There is information about WET and some of the current projects on the website www.wet.org.nz.

Whakaora Te Waihora is a cultural and ecological restoration programme led by Ngāi Tahu and Environment Canterbury. Whakaora Te Waihora is a two-generation / 35-year restoration plan with significant funding to support the first two to five years of the work programme. It will add to more than 10 years of restoration work already undertaken by Papatipu Rūnanga, landowners, agencies and others around the lake.

Where to meet

Meet for the bus trip in Rhodes Park Domain, Tai Tapu in the car park by the rugby club. ●

Entry to the domain (also entry to the golf club) is off Old Tai Tapu Rd opposite Rhodes Rd .
