

CANTERBURY PLANTOUT 2014

Saturday
6th & 20th
September

A fun day out helping restore our native habitats

Join us for the 2014 Canterbury Plantout, a fun day outdoors with the opportunity to see new places and meet new people. All meals, activities and transport will be provided. We need you and your community to help make a difference by putting over 6000 native plants back on the Canterbury Plains in just two days.

There will be activities for kids, live music with dinner and an opportunity to talk to experts about projects in Canterbury.

A free bus service is available for volunteers, picking up from New Brighton, Ilam, Jellie Park, Sydenham, Hornby, Halswell, Tai Tapu, Lincoln, Rolleston, Springston, West Melton, Darfield and Kirwee.

Register today at www.kakariki.org.nz and help us make this project a success
