trust

## Field Trip

*Wednesday 18 November*

Leaving Lincoln at 11am and travelling to Ngāti Moki Marae at Taumutu for a mihi whakatau. After lunch visit some of the practical projects underway around the lake, returning to Lincoln by 5pm for refreshments and networking. Places are limited.

For a registration form and further details, please contact Adrienne Lomax [manager@wet.org.nz](mailto:manager@wet.org.nz), 021 052 9720.

Details also available from [www.wet.org.nz](http://www.wet.org.nz)

## Presentations

*Thursday 19 November*

At Lincoln University from 9am, the focus is on what is already being achieved, with an overview of governance and management and updates on land and water, flora and fauna, recreation, the local economy and cultural health.

The 2015 'State of the Lake' report will be included in the symposium pack available on Thursday 19 November.

Thanks to all our sponsors for making this event possible and for allowing us to keep registration fees very low. For details of sponsorship packages and registration please visit [www.wet.org.nz](http://www.wet.org.nz)
